## **JOHN, CHAPTER 6**

---

1. Why did a great multitude follow Jesus? \_\_\_\_\_

2. What did Jesus ask Philip? \_\_\_\_\_

3. Why did He ask Philip this question? \_\_\_\_\_

4. Did Philip pass the test? \_\_\_\_\_ \* Do we pass the tests that God gives to us? Philip had seen water become wine and was literally walking with the Miracle Worker! Yet he looked at the crowd and tried to calculate how much money it would take to feed them each a little. He should have kept looking at JESUS!

5. Did Andrew have faith when he mentioned the lad who had 5 loaves and 2 small fishes? \_\_\_\_\_ \* Another disciple failed the test. "What are they among so many?" Jesus always took the few and multiplied it! He took 12 disciples and multiplied them. He takes the few today who follow Him in a world of unbelievers and grows them into a multitude of believers! See Revelation 7:9-14.

6. How many men sat down to eat? \_\_\_\_\_ \* Matthew 14:21 tells us that women and children were also with the 5,000 men!

7. What did Jesus do first after taking the 5 loaves? \_\_\_\_\_

\* GIVE THANKS for what you have! Don't complain about what you don't have!

8. Who did Jesus distribute the loaves to? \_\_\_\_\_

9. Who did the disciples distribute the food to? \_\_\_\_\_

\* This is our ministry today! Take the little bit you have to Jesus. He will thank the Father for what you give. Then He will fill your serving tray so you can feed the people, both physically and spiritually. Give Him your talents! Give Him your offerings! Give Him your strength! Give Him your life! Let Him send you among the crowd to distribute what He has given to you! When your tray is empty, return to Him for a refill! You will not run out! There will be leftovers!

10. Why did Jesus tell them to gather up the fragments (broken pieces)? \_\_\_\_\_

11. How many baskets were still full when all had eaten? \_\_\_\_\_

\* One for each of the disciples was left! Study Matthew 10:8; Luke 6:38; and Romans 8:32!

12. What did the men say about Jesus? \_\_\_\_\_

\* They referred to Deuteronomy 18:15-19.

13. What did Jesus perceive (understand) that they were about to do? \_\_\_\_\_

---

\* He had just faced men who wanted to murder Him. Now He faces men who want to make Him a King before His time. Man cannot make Jesus a King. HE IS THE KING! Receive Him as the King of your life! Serve Him! Reverence Him! Obey Him!

14. Where did He go alone? \_\_\_\_\_
